November 20, 2020

Due to the rise in COVID cases and out of an abundance of caution, starting Monday, November 16, 2020 public access to the Township Municipal Building will be by APPOINTMENT ONLY.

Guidelines for Appointments:

When you call to schedule an appointment, make sure you get the contact information on who you will be meeting and their extension number.

At the time of your appointment, we ask that you call from your vehicle in the parking lot and speak with your contact. They will then let you in the front lobby doors. Please do not come to the doors until you speak with your contact.

Only one person will be able to have access to the lobby at a time.

Once you are done with your meeting, we ask that you leave the lobby area via the marked Exit door and stay clear from the front of the building. This will help protect others coming in for their appointments, and protect our staff as well.

Thank you for your understanding and working with our staff to keep everyone safe.
