Township of Haverford

Proclamation

Whereas, In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal.

Now, therefore, the Haverford Township Board of Commissioners, do hereby proclaim the last Friday in April as

Arbor Day

in Haverford Township, and urge all citizens to celebrate Arbor Day and to support efforts to protect our trees, parks and woodlands; and

Further, the Board of Commissioners of the Township of Haverford urge all citizens to plant and care for trees to gladden the heart and promote the well-being of this and future generations.

RE: Athertyn at Haverford Reserve (Parcel 5)
Request for Release of the 18-month Security (10%) Escrow

Gentlemen,

Please accept this letter as our request for release of the 10%-security in the amount of \$187,541 associated with the Athertyn Parcel 5 Improvements.

Attached please find Letter of March 4, 2022, that accompanied the Documentation of Substantial Completion and WSFS Bank statement identifying the escrow account.

As an update on the 198 unit Project:

Sales- 198 units sold. Settlements- 198 units settled.

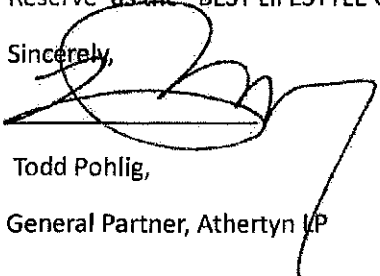

The Athertyn Homeowners Association Board has recently initiated the Transition Process.

Jessica Canto, our Project Manager, and I are available to accompany any additional inspections of the site at your convenience.

As I understand, the only outstanding item is the receipt of the Notice of Termination (NOT) for Basin "A" from the Delaware County Conservation District which needs a reinspection of a small area of ground cover (recently sodded). I anticipate receipt of the NOT prior to the Commissioners' October meeting.

I am available to meet at the Township or Athertyn to answer any questions. Again, we have appreciated working with the Township Commissioners, Boards, Staff and Engineer to position 'Athertyn at Haverford Reserve' as the "BEST LIFESTYLE COMMUNITY" in the region.

Sincerely,

Todd Pohlig,

General Partner, Athertyn LP

Township of Haverford

Ordinance Number P5-2024

An Ordinance amending Chapter 47 entitled “Amusement Devices” of the General Laws of the Township of Haverford to further regulate the premises within which such devices may be permitted and associated definitions; amending Chapter 182 entitled “Zoning” to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use.

Whereas, the Home Rule Charter of the Township of Haverford authorizes the Board of Commissioners to make and adopt ordinances consistent with the Constitution and laws of this Commonwealth and with the Charter;

Whereas, the Pennsylvania Municipalities Planning Code, 53 P.S. § 10101, et. seq., provides that municipalities are permitted to address the intensity of uses within a zoning district and provide for the promotion, protection and facilitation of public health, safety, morals, and the general welfare, and coordinate practical community development; and

Whereas, the Board of Commissioners desires to promote a complementary mix of uses that will generate pedestrian foot-traffic, disperse the intensity of uses throughout the Township, and promote the economic health of the Township; and

Whereas, the Board of Commissioners desires to prevent the over-concentration of certain uses within the Township; and

Whereas, tobacco use is still the leading cause of preventable death in the United States; and

Whereas, tobacco use places a huge financial cost on the nation's healthcare system and constraints on productivity imposed on the nation's economic system; and

Whereas, since 2014 electronic cigarettes have been the most commonly used tobacco products among the youth of the United States; and

Whereas, amusement devices and electronic games are commonly enjoyed and played by, and often attract, children and young adults who are not legally permitted to use tobacco products; and

Whereas, the use of Game of Skill machines are believed to have a deleterious impact on

children, may encourage gambling, and continual use of such machines may increase the risk of crime and endanger employees and customers of a business; and

Whereas, the Board of Commissioners desires to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use.

Whereas, the Board of Commissioners has met the procedural requirements of the Pennsylvania Municipalities Planning Code for the adoption of the proposed ordinance, including advertising and holding a public hearing;

Whereas, the Board of Commissioners, after due consideration of the proposed ordinance at a duly advertised public hearing, has determined that the health, safety and general welfare of the residents of Haverford Township will be served by this amendment of the Township's Code.

Now, therefore, the Board of Commissioners of the Township of Haverford hereby ordains and enacts as follows:

Township of Haverford
ORDINANCE NO. P6-2024

An Ordinance of the Township of Haverford, Delaware County, Commonwealth of Pennsylvania, amending chapter 4, administration of government, to provide for the criteria and process for the naming of township property and establishing a township property naming committee

Whereas, Haverford Township (“Township”) is the legal owner of real property and associated public facilities, parks, recreational areas, fields, streets, and other similar township owned or controlled facilities throughout the Township (“Township Property”);

Whereas, the Township desires to recognize individuals who have made a significant contribution to the Township or otherwise brought honor to the Township through their works or deeds by naming or renaming Township Property in their honor;

Whereas, the Township also desires to recognize individuals, families, or organizations that have made substantial gifts or donations resulting in the Township’s acquisition or use of Township Property by naming or renaming the associated Township Property in their honor or as may be stipulated in a gift agreement;

Whereas, the Township desires to establish a fair, uniform, and consistent process for the naming and renaming of Township Property;

Whereas, the Township desires to establish a Township Property Naming Committee to assist the Township Board of Commissioners with the process of naming or renaming Township Property;

Therefore, be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, the Board has determined that the health, safety, and general welfare of the residents and guests of the Township will be served by this amendment to Chapter 4, as follows:

Section I. Code Amendment.

A. Chapter 4, Administration of Government, is amended to provide for a new Part 12 entitled “Naming of Township Property” to provide as follows:

Part 12. Naming of township property

Article XXXIII Criteria and Procedure

§ 4-1109 Purpose.

Haverford Township desires to provide a fair, uniform, and consistent process for the naming and renaming of certain Township owned or controlled properties including, but not limited to, Township facilities, parks, recreation areas, fields, streets, or other Township property or facilities deemed appropriate to be named or renamed by the Haverford Township Board of Commissioners.

§ 4-1110 Definitions.

The following words, when used in this Part, shall mean the following unless the context clearly indicates otherwise:

Naming or name – The assignment or designation of a new name or a change in a previously established or known name.

Township property – Real property owned or controlled by Haverford Township and/or improvements or facilities located on property owned or controlled by Haverford Township including, but not limited to, buildings, rooms, recreation areas, parks, fields, open space, streets, and other property or facilities, or parts thereof, owned or controlled by the Township as deemed appropriate by the Haverford Township Board of Commissioners.

§ 4-1111 Criteria for the Naming of Township Property.

- A. The Name given to Township Property should have geographic, historical, botanical, or agricultural significance in or for the Township. The significance of the Name should be recognized and known in the area or neighborhood in which the Township Property is located, and if possible, generally recognized and known throughout the entire Township.
- B. Township Property should only be given a Name if one or more of the following applies:
 - (1) The property was acquired or significantly enhanced by means of a substantial gift or donation by an individual, family, or organization associated with the Name or made pursuant to a gift stipulation or agreement, acceptable to the Board of Commissioners, that a certain Name is used to identify the property.
 - (2) The Name is to recognize an individual or family who has made a significant contribution to the Township, has brought honor to the Township through work or deed, or had a significant historical impact on the Township. In most instances, the person should be honored posthumously and should be deceased at least (3) three years before Naming consideration. The individual,

or the living relatives of the individual if awarded posthumously, whose name is being considered shall be provided an opportunity to refuse the Naming.

- C. Township Property should not be Named after a person whose contribution to the Township was or is part of the person's normal, paid duties as an employee of the Township. An exception may be made for former Township employees who have contributed volunteer services of an exceptional nature beyond their normal duties as an employee. Further, a Township employee shall not be excluded from Name recognition if the recognition is for service, works, or deeds performed before or after such person's employment with the Township.
- D. The Name shall not be one that endorses or advocates for any religion or political party or specific religious or political belief; has an obscene connotation; malevolently portrays, demeans, or intimidates any racial or ethnic group or other protected class; is the Name of an active political candidate; or is the Name of an adjudicated felon.
- E. The Naming of Township Property is intended for permanent recognition within the Township, and a change in the Name of Township Property without good cause is strongly discouraged once Township Property has been officially Named through the process established herein. As such, Township Property shall not be provided with a new or different Name without good cause, as determined by the Township Board of Commissioners. It is recommended that efforts to change a Name be subject to the most critical examination, so as not to diminish the original justification for the Name or discount the value of the prior contributions warranting the Naming.

§ 4-1112 Procedures for the Naming of Township Property

- A. Applications for the Naming of Township Property should come from the public sector through local civic organizations or neighborhood associations. Individuals may not apply for the Naming of Township Property.
- B. A complete application must include a petition with at least one hundred (100) signatures from adult residents of Haverford Township signifying broad support for Naming of the Township Property. The petition must include:
 - (1) A clear description of the proposal to Name the Township Property with the Name proposed and the specific location of the Township Property.

- (2) The names, addresses, and signatures of at least one hundred (100) adult Haverford Township residents signing in support of the application.
 - (3) A clear, detailed description as to the reason(s) why the Township Property should be given such Name.
 - (4) Whether the individual whose name is being considered, or the living relatives of the individual if the person is deceased, has been consulted with and approves of the petition.
- C. The completed application shall be submitted to the Township Manager. If the application is deemed complete, the Township Manager shall submit the application to the Property Naming Committee for review and consideration.
 - D. Within (sixty) 60 days of the Property Naming Committee's receipt of application, the Property Naming Committee shall meet for the purpose of making a recommendation to the Board of Commissioners, along with a written explanation for the recommendation, which shall include background information of the Township Property and the person, family, or organization proposed to be honored by the Naming.
 - E. If the request is to Name a park, ballfield, playground, open space, other athletic facility, or a portion of thereof, the Township Manager shall also submit a copy of the application to the Parks & Recreation Board. Within (sixty) 60 days of receipt of the application from the Township Manager, the Parks & Recreation Board shall meet for the purpose of making a recommendation to the Board of Commissioners, and provide a written explanation for the recommendation.
 - F. The Board of Commissioners will consider the recommendations from the Property Naming Committee and, if applicable, the Parks & Recreation Board, at a public meeting of the Board of Commissioners.
 - G. The recommendation(s) for Naming the Township Property shall be deemed approved by a majority vote of the Board of Commissioners.
 - H. The process for reviewing and making a decision on an application for the Naming of Township Property is intended to take no less than three (3) months and no more than one (1) year.

- B. Chapter 4, Administration of Government, Part 5, Advisory Boards and Commissions, is hereby amended to provide for a new Article XXI.I entitled “Township Naming Committee” as follows:

Article XXI.I Township Naming Committee

§ 4-522 Establishment; purpose.

In accordance with the ordinances and resolutions of Haverford Township, there is hereby recognized the existence of the Township Naming Committee of Haverford Township for the following purposes:

- B. The Property Naming Committee shall meet only on an as-needed basis upon receipt of a completed application for naming or renaming of Township property.

- C. All appointed members shall serve without compensation.

D. In case any vacancy occurs, the Board of Commissioners shall act expeditiously to fill the vacancy for the unexpired term.

§ 4-524 Powers and Duties.

A. The Property Naming Committee shall receive applications for naming or renaming of Township property and shall make recommendations to the Board of Commissioners regarding the naming of Township property pursuant to the criteria and process established under Chapter 4, Part 12, Naming of Township Property.

C. The Property Naming Committee shall perform due diligence related to the individual, family, or organization proposed to be honored by the name recognition.

D. To avoid duplication and confusion, the Property Naming Committee shall perform the necessary research to ensure that no other Township properties hold the name being considered.

E. Within (sixty) 60 days of the Property Naming Committee's receipt of application for the naming of Township property, the Property Naming Committee shall meet for the purpose of making a recommendation to the Board of Commissioners, and provide a written explanation for the recommendation, which shall include background information of the Township Property and the person, family or organization proposed to be honored by the Naming.

Section II. Repealer. In addition to the above, all other ordinances or parts of ordinances that are inconsistent herewith, are hereby repealed. Section IV. Failure to Enforce Not a Waiver. The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

Section V. Effective Date. This Ordinance shall become effective 10 days following final adoption by the Board of Commissioners and publication as required by law.

Dear Aimee,

Thank you for facilitating the approval of the ByLaws for the Friends of the Grange, Inc. the 501c3 which is charged with the running and maintenance of the Historic Grange Estate. When we began the process of doing a complete strategic plan, it was discovered that the bylaws had many outdated sections and had not kept pace with technological changes. A committee was formed with Scott Selkowitz, Township Representative, leading the charge. We had several meetings and took into account many differing opinions before the final version was accepted by the committee.

The Friends of the Grange, Inc. respectfully ask that the Haverford Township Commissioners accept this version and vote to pass the changes that have been made. If there any questions please feel free to contact me, I will be happy to address them.

Sincerely yours,

Kathleen Parkinson

For **Dolan Mechanical (Mechanical)** contract these change order requests total an add of **\$11,567.14 (Eleven thousand five hundred sixty-seven dollars & fourteen cents)** and will be part of a change order to their contract.

For **Dolan Mechanical (Plumbing)** contract these change order requests total an add of **\$2,887.05 (Two thousand eight hundred eighty-seven dollars & five cents)** and will be part of a change order to their contract.

Rycon Construction Change Request for an add of \$10,000.00

The cost included is for work associated with existing foundation wall waterproofing having to be replaced. In excavating for the addition concrete footers, it was confirmed that the existing foundation wall waterproofing could not remain. There was an allowance included at bid time for exterior wall waterproofing which will be exhausted. This cost is a not to exceed above said allowance to cover the remainder of the replacement cost. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #7 for an add of \$4,322.85

The cost included is for work associated with existing concrete beams having to be repaired. Upon completion of demolition, there were two existing concrete beams in need of structural concrete patching at the old bank building. This cost is for the contractor to frame out and patch the two beams as per the Structural Engineer's recommendation. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #10 for an add of \$6,195.00

The cost included is for work associated with new partitions needing to be added at the first floor. Upon removal of the existing bookshelves, it was confirmed there was no framing/drywall behind the shelves only the exterior masonry block. This cost is to provide new framing/drywall accordingly for the new space. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #11 for an add of \$4,771.20

The cost included is for work associated providing a bump out partition in the Community Room at the lower level. In review with the Library/design team it was determined to provide the bump out partition which allows the electrical/audio visual devices to be encompassed in the wall as opposed to surface mounted due to the existing wall being plaster. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #12 for an add of \$15,097.20

The cost included is for work associated with having the trenches in the Community Room at the lower level dug out to receive the new under slab drainage piping previously approved. The contractor will dig out the trenches, remove the spoils and provide pea gravel for the Plumbing Contractor to install the new rainwater piping. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Mechanical) Change Request #2R for an add of \$7,552.73

The cost included is for work associated with Bulletin #7 regarding the kitchen exhaust hood. Ductwork needs to be added from the hood to exhaust it to the exterior of the building which was not originally included in the project. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Mechanical) Change Request #3 for an add of \$4,014.41

The cost included is for work associated with the changes in the designed HVAC ductwork due to existing conditions in field. Numerous runs of ductwork had to be modified during the coordination process due to existing beam conflicts to maintain the desired ceiling heights per the contract documents. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Plumbing) Change Request #4 for an add of \$2,887.05

The cost included is for work associated with Bulletin #6 which added a new rainwater piping. After demolition it was determined the existing rainwater piping should be replaced. An allowance for rainwater pipe replacement was included in the plumber's contract however this total scope of the work exhausts that allowance and this change order is for the small overrun above the allowance. The cost submitted and attached for reference is fair and reasonable.
